MOTHER IS A FRESHMAN

Abby's reason for going to college with her daughter is hard economics. She's used most of the insurance that her husband left for her, and there just aren't many opportunities for an unskilled widow. The only way she can afford to keep daughter Susan in school is to take advantage herself of an unusual, but most generous scholarship. Abby's first two names are **Abigail Fortitude**, and anyone with those names is eligible for a liberal memorial scholarship established years ago by a wealthy woman of the same name. What a situation—a mother who is only a freshman with a daughter who is already a sophomore!

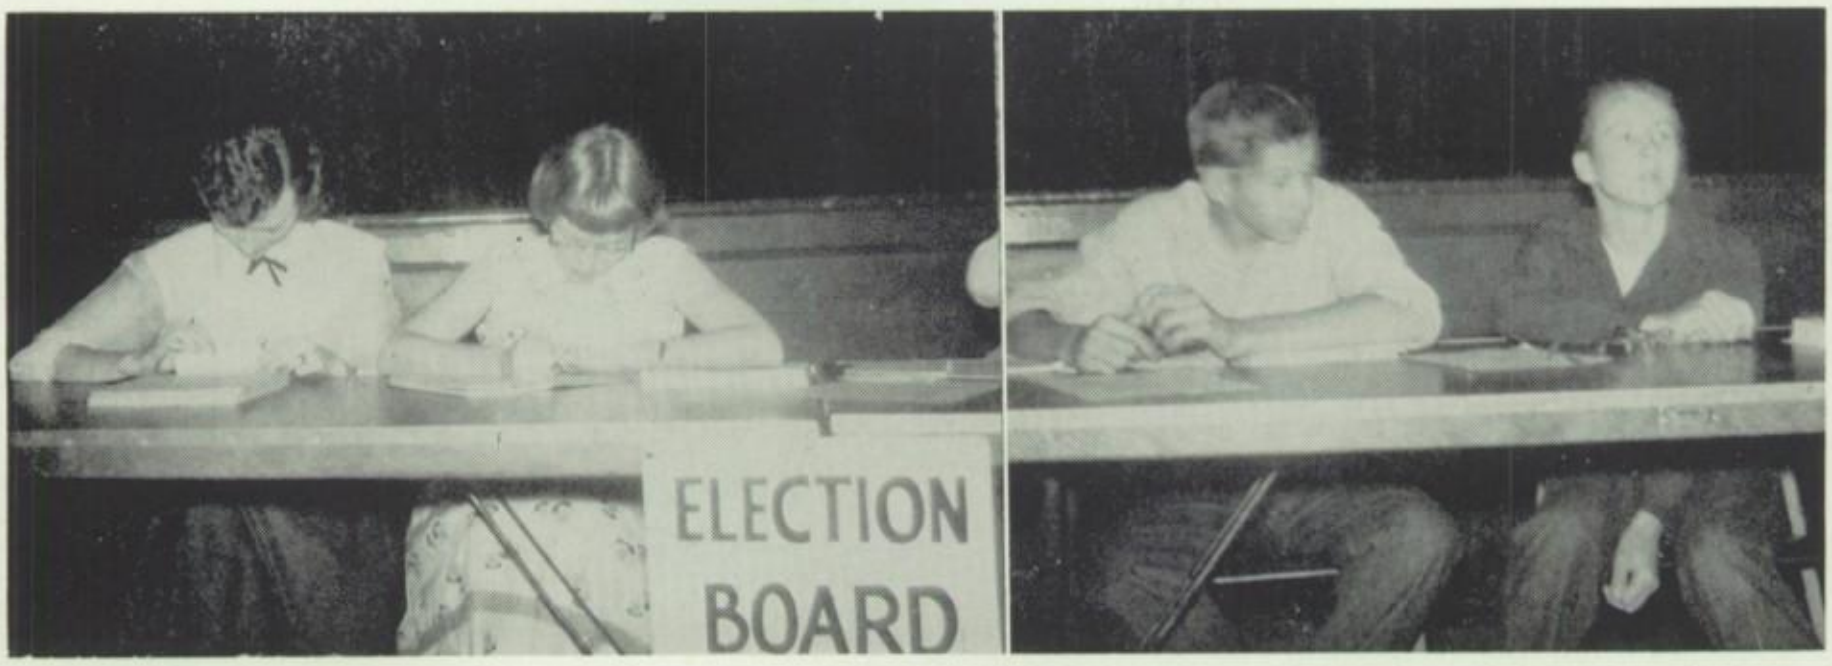
Democracy In Action



The election board consisted of a representative from each class: Martha Bell—*Senior*, Diane Sharpe—*Junior*, David Clement —*Sophomore*, Eric Olsen—*Freshman*.

One place in Windber High where you can readily see democracy in action is in the student elections. These elections are under the direction of Miss Murphy whose P. O. D. classes handle the counting of the ballots. The students elect their officers by means of a preferential ballot, the details of which are taught to them in their social studies classes. James Crum served as Judge of Elections this year.

Eric Olsen is about to hand ballots to Beatrice Wagner and Betty Jean Locke while Joe Gergely waits for his.

THE MEANING OF GUIDANCE

Guidance in the secondary school refers to that aspect of the educational program which is concerned especially with helping the pupil to become adjusted to his present situation and to plan his future in line with his interests, abilities and social needs. The entire school program today is complex; personnel work attempts to simplify it for the individual pupil. Guidance or personnel work represents an organized effort on the part of the school to help the individual pupil become adjusted to his present situation in such a way as to provide the greatest development for him and to aid him in planning for his future. A school man attempting to help a parent understand the place of guidance in the complete program of education suggested that its function was "to help Johnny see through himself and then to assist him in seeing himself through."

HOME AND SCHOOL VISITOR
THE SOCIAL WORKER OF THE SCHOOL

School social work exists because people's feelings interfere with the constructive process of education. Therefore, the Home and School Visitor's main contribution is in the realm of human relationships; in order, in her way, to contribute to the emotions, what the nurse contributes to the body, the teacher to the intellect, the dentist to the teeth, and the principal to self-government. Her work is a way of helping those children who need and want her help to become more aware of their difficulties so that they may become relatively more self-directing, and more productive, more giving and therefore, more happily adjusted students. The Home and School Visitor works to unite the efforts of the home, the school and the community in the prevention as well as the solution of problems which interfere with children's successful participation in school experience.

Mrs. Shaffer is about to do some visiting in her station wagon.

These five people represented our alma mater at various events during the school year.

Beth was our Voice of Democracy winner both in W. H. S. and at the county contest where she walked away with the top honors. Her speech was sent into the state contest.

Johnny appeared on the Wilken's Amateur Hour. He and his "squeeze-box" are going places. Johnny has a small orchestra called the "Silver Tones." He plays for school dances and local affairs. We feel sure we'll be hearing more about him in a few years.

Donna and Mary Louise won first prize in the field of Historic Costumes in the first Historama conducted at the Buhl Planetarium in Pittsburgh in November. Their award consisted of a set of records entitled "The Testament of Freedom."

Dannie represented us at the Somerset County Fall Festival. This event replaced Pennsylvania Week in Somerset County. She presided over the Soroptimist Fair.

Johnny appeared on the Junior Disc Jockey Show of WCRO. With his smooth voice, smooth personality and good records he was able to step into the winner's circle six weeks in a row.

SENIOR CLASS SONG
("Moments to Remember")

As Seniors we have
worked and planned
To hold our annual
football dance,
We will have these
Moments to Remember.
We proudly chose a
King and Queen
To make our dance
supremely keen,
We will have these
Moments to Remember.
Now King Chuck and
Queen Shirley
Are our Royal pair,
they're the pride and
joy of Windber High,
So greet them with a
cheer.
And as the time so
swiftly goes, the
Varsity Dance we have to
close,
We will have these
Moments to Remember.

Fourteen seniors played their last for Windber High in the Pittsburgh North Catholic game on the twelfth of November. Each closed, in that final game, four years of hard work and good playing in high school football. Two of our seniors did well in being placed on the **Tribune-Democrat** All-Scholastic team. They were Roy (Pete) Seese and Charles Finnegan. "Pete" was chosen to be on the first team as fullback. "Chas" made the second team as end.

Fine line work was done by "Gatch" Gahagen, Bill Smutko, Bill Hritz, Clarence Custer, Joe Brutts, Steve Beretsel, John Lewark and George Kondas.

They are the

"Hip Hip Hooray!" That's the familiar cry of the Windber High cheerleaders. These girls played an important part in the sports activities of the school. The squad this year consisted of seven seniors: Phyllis Horvath, Beth Paul, Tillie Findish, Virginia Campitell, Helen Makuch, Myrna Keirn and Judie Stoy. Carol Pristow a junior, and two substitutes, Jeanie Pevahouse and Donna Berkey completed the squad. The girls, themselves, elected Phyllis Horvath as captain. Phyllis did a splendid job in seeing that everyone in the group worked together. Beth Paul was chosen co-captain. Both girls earned themselves a well deserved cheer. The cheerleaders attended football games that were at home or away. The fans could always count on the cheerleaders to keep their spirits aroused whether the team was winning or losing. They also attended the basketball games to keep that same spirit in the air. Miss Janet Roland did a fine job as adviser. She saw to it that the girls practiced and she made suggestions whenever necessary. The cheerleaders really appreciated the help she gave them.

WINDBER—33 **SHADE—7**

Although they were the predicted underdogs, Windber started the '55 season out right by giving Shade a good lacing, 33-7. Fine running by "Rich" DePolo and "Pete" Seese sparked the attack.

WINDBER—7 **ALTOONA—25**

On the following week, the Ramblers had a rough time at Mansion Park against Altoona where they lost by the score of 25-7. Altoona capitalized on four big breaks and handed Windber their first setback.

WINDBER—0 **HAR-BRACK—8**

The Ramblers tasted defeat for the second time to the tune of 8-0. The boys from Windber put up a very good fight, but some bad breaks plus a downpour and a sea of mud ended Windber's hopes of getting into the winning column again.

WINDBER—7 **JOHNSTOWN—13**

Although Windber led almost the entire game, the Men of Troy came back in the last few minutes of the game to defeat their traditional rival, 13-7. This annual classic was followed by a "melee" which almost put an end to the long series of games between the two schools.

WINDBER—19 **BRADFORD—0**

The Ramblers got back in stride after three straight losses by easily whipping a newcomer to the schedule, Bradford, 19-0 after a one day postponement because of rain. Again the top scorers for the Ramblers were "Pete" Seese and "Rich" DePolo.

WINDBER—6 **CONEMAUGH TOWNSHIP—7**

The Ramblers met defeat for the fourth time in the '55 season as the Indians from Conemaugh Township came out on top of a very close battle by the slim margin of 7-6. In this game, Park Baker, the Indian's star fullback, was held to the least amount of yards he had gained this season.

WINDBER—53 **ADAMS TOWNSHIP—18**

Roy (Pete) Seese, senior fullback, led the assault on the Blue Hornets of Adams by making five touchdowns and passing the sixth. When the dust cleared, the Ramblers had come out on top by a score of 53-18.

WINDBER—33 **PUNXSUTAWNEY—7**

The Kawchakmen came back nicely by completely outclassing their opponent to even up their wins and losses for the season at 4 and 4.

WINDBER—61 **JOHNSTOWN CATHOLIC—6**

Windber High School took advantage of three fumbles, two blocked kicks and an intercepted pass in rolling over Johnstown Catholic, 61-6 at the Windber Stadium. It was the highest score chalked up by the Ramblers since defeating Conemaugh 65-7 in 1950.

WINDBER—49 **PITTSBURGH NORTH CATHOLIC—6**

Using some real razzle dazzle football, Windber finished the season with a bang as they outplayed their heaviest opponent of the year, Pittsburgh North Catholic. Fourteen Ramblers played their final game and turned in one of their best performances of the season.

There goes "Pete" Seese again!
